A. Investment-Related Activities

Real Estate Brokerage

Steven J Roy is a California licensed real estate broker (CalBRE #01706626) and may act as such in commercial or residential transactions in which his clients participate or have an interest. As such, Steven J Roy may receive separate, yet customary, commission compensation resulting from implementing real estate purchase, sale, or leasing transactions and/or fees related to providing advisory services in connection with such transactions on behalf of clients, including clients who may have an investment advisory relationship.

Disclosure related to all investment-related activities:

Clients are not under any obligation to engage Steven J Roy to provide other services. The implementation of any and all recommendations is solely at the discretion and direction of the client.

Steven J Roy must place the interests of his/her clients first as part of Steven J Roy's fiduciary obligation. Clients should be aware that the receipt of additional compensation for other activities, such as real estate brokerage, creates a conflict of interest for Steven J Roy. Steven J Roy and Cambyses Financial Advisors take certain steps to address this conflict of interest. Please refer to Item 10 of the Cambyses Financial Advisors Part 2A to the Form ADV for additional information.

B. Non-Investment-Related Activities

Steven J Roy is engaged in other business or occupational activities that provide substantial compensation or involve a substantial amount of his time.

Steven J Roy is the Chief Operations Officer of Cambyses Capital (Formerly Cambyses Management Associates and Steven J Roy Management). Cambyses Capital provides business management advisory services (including financial structural planning and management advisory services) and tax advisory services (planning, representation, and compliance) to small and mid-sized businesses and their owners. Services performed on behalf of Cambyses Management Associates, including both direct production of work product and supervision or oversight, are expected to account for approximately 1/3 of Steven J Roy's working hours and approximately 1/2 of Steven J Roy's total compensation.

Item 5: Additional Compensation

Steven J Roy may be eligible to receive incentive awards (including prizes such as trips or bonuses) for recommending certain types of investment products that IARs recommend. All incentive awards are pre-approved by Cambyses Financial Advisors and are based on total production for all products and services. While Cambyses and its IARs endeavor at all times to put the interests of our clients first as part of our fiduciary obligation, the possibility of receiving incentive awards creates a conflict of interest for Steven J Roy.

Item 6: Supervision

When acting as an IAR, Steven J Roy has no direct supervision.

To strengthen its supervision, Cambyses may engage outside consulting firms to perform some or all of account supervisory functions on a routine or surprise audit basis. The consultant will contact Steven J Roy to discuss any identified issue and monitor the progress to address the issue. Cambyses supervises the personal securities transactions of each IAR to ensure that these transactions do not pose a conflict of interest with the IARs' ability to make investment recommendations to their clients. Please refer to Item 11 of the Cambyses Part 2A Disclosure Brochure for additional information. Email: Steven@CambysesAdvisors.com
